ANNUAL PRESENTATIONS

A December To Remember

To celebrate the joyous occasion of Christmas, a musical show 'A December to Remember', was presented by the little learners of Pre-Nursery and Nursery on 24 December with a show comprising a Nativity play and dance performances. Parents were awestruck to see the little ones enacting with confidence. The secret Santa zone created to donate the gifts also got an overwhelming response and parents ensured their little ones learnt the importance of sharing and experiencing the joy of giving. The Santa Claus with the children made parents nostalgic.

Christmas was also celebrated with great joy and vigour by all in the school. The day began with Christmas Carolling by the student choir followed by a special assembly presented by the little learners of Pre-nursery and Nursery for KG & Class I. Students wrote letters to Santa Claus, made wishes and created Christmas crafts to decorate their homes. Students of class VI presented the Christmas Nativity Play for classes IV, V & VII. To inculcate a sense of selflessness, a Donation Drive was also organized by the school which encouraged children to bring gifts for the less privileged which were then donated to various NGOs including Goonj. This was like the cherry on the Christmas Cake.

Nrityautsav

“When you dance, you can enjoy the luxury of being you.” - Paulo Coelho

Students of classes IV & V put up their Annual Day 'NRITYAUTSAV' on the dances of India on the 11 February. The Guests of Honour for this show were Ms. Pooja Goel and Ms. Meenakshi Tandon, who are pioneers in the field of music and dance. 'NRITYAUTSAV' showcased the culture of the different states of India through dances. The enthusiasm and confidence of the students was outstanding.

Panchtantra Folklore

Students of class II students put up their Annual on the theme Panchatantra folklore on 21 February. The stories were brought live by the students by the rhythmic dances and beautiful narration. The venue was decorated to resemble a forest, adding to the overall ambiance of the event. Dr. Shivani Kanodia, a professional storyteller, was the special guest of the occasion.

Alice In Wonderland

The Annual Day celebration for Class 3 on 3 March featured the timeless classic, Alice in Wonderland. Students enacted major scenes from the book through music, dance, and drama. The Guest of Honour, Ms. Shubhrastha, a noted columnist, author, and founder of the YouTube channel "The Churn," applauded the students for their efforts and motivated them to pursue their passions and dreams.

CLASS PRESENTATIONS

Assemblies are a great way to bring all classes together and also for students to get an opportunity to exhibit their talent and work in collaboration with their peers. Assemblies were held as per the schedule and on varied interesting themes like **Meet the Needs**, **Equality vs Equity**, **Kind is Cool** etc.

'HEALTHFULNESS'

'The mind and body are not separate. What affects one, affects another.' K.R. Mangalam World School fosters Health & Fitness programmes in an endeavor to provide a healthy learning environment to students. Health education helps adolescents to acquire functional health knowledge, strengthens attitudes, beliefs and practice skills required to adopt and maintain healthy behaviour throughout their lives.

SPORTS DAYS

Sports League

Participating in sports and physical activities is not only beneficial for physical health, but also helps to foster a sense of teamwork, leadership, and confidence in children. Keeping this in mind, KR Mangalam World School recently held its final round of 100-meter race, cone race, balancing race, Hurdle, and Relay race for students of the Primary wing. The event was a resounding success, with students showing great enthusiasm and zeal in their participation.

The races were made even more thrilling by the lively atmosphere created by the students in the stands, who enthusiastically cheered on the participants.

The Wild Safari

In recognition of the importance of sports in a child's life, the School organized a Sports Day for the Pre-Primary Wing on 16 and 17 February. The theme of the event 'The Wild Safari' aimed at creating awareness about the importance of wildlife conservation. The day witnessed a series of events based on the theme that truly exhibited the undeterred spirit and enthusiasm amongst the children. The Chief Guests Ms. Sonali, Ms. Toshiba and Ms. Tejasvini were spellbound by the sportsmanship exhibited by the children. The parent races added to the fun element of the race and were enjoyed by all.

'NURTURING HUMANITY'

Humanity symbolizes human love, compassion & living in harmony with others. Humanity cannot be taught; therefore, we nurture this skill through various practices & programmes.

Earth Day: Our young Mangalites participated in several activities on World Earth Day. These included Poster Making, Nature Walks and creating their own art work with the material collected on their way. They also created their own compost pits. The students were made aware of the importance of living in harmony with nature.

Independence Day: Independence Day was celebrated with the spirit of patriotism in school. With the thought "Har Ghar Tiranga" flag hoisting was done at School by the Principal as she motivated the students to preserve and uphold the beautiful traditions of our nation. Students, parents and teachers participated in the celebration with patriotic fervour.

Teachers' Day: On the occasion of Teacher's Day, students of the entire school put up an assembly for expressing their love and respect for their teachers. The students performed various cultural activities like Dance, Song Recitation, Drama etc. to mark the celebration.

Children's Day: "Allow children to be happy in their own way for what better way will they find". To make children feel special and loved, a day was planned with fun filled surprises, games and yummy treats. They had gala time at various fun rides followed by a hilarious skit presented by teachers. The children were made aware that it was the birth of Pt. Jawahar Lal Nehru. It was altogether an amazing day.

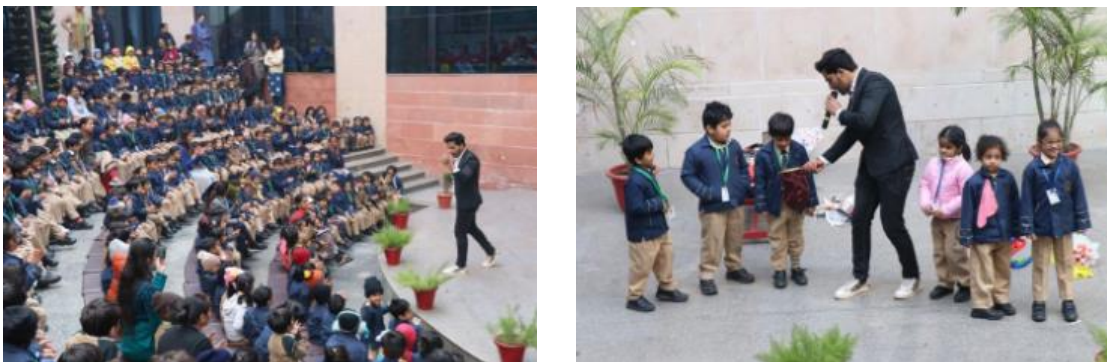

Christmas: Christmas is for joy, or giving and sharing, for laughter, for coming together with family and friends. It was surely a Christmas to remember at K. R. Mangalam World School Gurugram. The school had a festive look with bells, streamers and a beautifully decorated Christmas tree. Several activities such as decorating Christmas Trees and Stockings, making Christmas Cards and message to Santa were organized for students. The children were told about the birth of Lord Jesus Christ and Santa

Claus. The spirit of giving and sharing was introduced among the tiny tots. The essence of Christmas came alive when Santa Claus himself visited the students in their class rooms.

Magic Show: Magic not only brings wonder to the world but also a grin on the faces of little children. To celebrate this mystical Christmas season, a magic show was organized for the students of class Pre-Nursery to III.

Students were mesmerized by the magic tricks and could not wrap their heads around how they were executed. This was thoroughly enjoyed by all.

Republic Day: The 74th Republic Day was celebrated with great éclat at KRM World School Gurgaon. A plenitude of activities like Tricolour Badge Craft, Kitchenette, Kite Making and Art Mela were organized to infuse the students' spirit of unity, brotherhood and patriotism.

COMMUNITY OUTREACH

The School strives to establish positive relationships, build trust and address the needs and concerns of the community through various activities and initiatives conducted around the academic year. During the session 2022-2023 many donation drives were organized to support various causes. Below mentioned are a few of many such drives.

Joy of Giving

A donation campaign was organized by the School around the festival Diwali, where students donated their old toys, clothes, shoes, books, bags and a lot more to support the less privileged.

Be a Secret Santa

To inculcate the sense of sharing and caring, a donation drive was organized to make the Christmas merrier even for the under privileged children. Students of the school were encouraged to buy gifts to donate for the less privileged children of their age to make their Christmas special.

Har Haath Kitaab

With an aim to reduce the wastage of paper and utilize it for a noble cause, students of the school donated the unused notebooks or the ones with blank page, used textbooks, storybooks and workbooks to the NGO – ‘We Care Foundation’. These books were later distributed amongst various organizations working towards educating the ones in need.

We stand with Turkey

The School in association with NPSC (National Progressive Schools Conference) organized a donation drive to collect dry rations, warm clothes, thermals, stationery, flasks, sleeping bags, toiletries etc. which was sent to Turkish Embassy to contribute to the earthquake relief work in Turkey.

CELEBRATION OF SPECIAL DAYS

Luau Summer Party: Pre-Primary students had a blast at KRM as warm weather and blue skies called for a Luau Summer Party. Children looked adorable in their loose-fitting breezy clothes with flowers and garlands. Hawaiian music dance and luau-inspired classic carnival treat made children forget the scorching summer heat.

Mother's Day: Mother's love is only constant in the changing World and mother is the first person a child knows and shares a powerful and everlasting bond with. To express gratitude for mothers' love children made exquisite crafts, designed beautiful sketches and recited euphonious poems and commemorated mother's day.

Labour Day: To commemorate the struggles and sacrifices of the workers' and labours' movement a parade was organised where students thanked different helpers like teachers, security guard, maids etc for their contribution to the society.

Friendship Day: Friends around us are precious and together they learn sharing, collaboration, team building, care, and many social skills. Students of Pre-Primary and pre-Primary wings celebrated friendship and bonding with their peers.

Grandparents Day: 'Grandparents sprinkle stardust over the life of our little children. Our little Mangalites along with their grandparents celebrated 'Grandparents Day' and created the most heart-warming memories to cherish for lifetime which was filled with laughter, love and wonderful stories.

Mud Day: Mud Day is a day celebrated to encourage children to connect directly with the earth. Children of the Pre-Primary played with the soil, it got dirty, messy and muddy. The purpose was to bring the students closer to nature and enjoy the incredible things that nature has blessed us with.

Janamashtami: Janamashtami was celebrated with great enthusiasm at KRM. A festival that honours Lord Krishna's birthday and also the best way to stay true to your heritage. It was a day filled with magical performance by teachers who presented the tale of Krishna's birth through narration and skit followed by bhajans and aarti. Children truly enjoyed singing along and the prasad offered. Little ones looked lovely dressed up in a traditional attire. Dahi handi was one of the interesting features of the day where children tasted makhan, the most favourite of little Krishna.

Rakshabandhan: To mark the occasion of Rakshabandhan a Rakhi Making Activity was organized for students of the Pre-Primary and Primary wing. They appreciated and celebrated the strong bond of love that siblings share.

Lohri Celebrations: Lohri was celebrated on 13 January 2023 by students of the Pre-Primary wing in virtual mode as school was online for them due to extreme cold. Students made paper kites as a craft and flew it symbolically. A special video depicting the significance of the festival was also shown to the children followed by a discussion on the same.

Army Day Celebrations: Army Day was celebrated on 15 January. Students of the Pre-primary wing made beautiful Gratitude Cards and wrote Thank You letters for the Veterans. Students were inspired by the stories of bravery narrated by their teachers.

Holi: The colourful festival of Holi welcomes spring and is an occasion to spread joy and happiness all around, while also strengthening bonds of family and friendship. This vibrant festival was celebrated by Classes II and III with a host of activities like creating floral rangolis, making cards for the family and engaging in cotton dabbling. Students from the Pre-Primary wing and their mothers merrily engaged in

fun activities like hand and balloon painting, water relay races, balloon dart games, and various other challenges. The celebration ended with a flower shower followed by the traditional dhol music and 'Gujiya' which was enjoyed by all.

EDUCATIONAL VISITS AND EXCURSIONS

A visit to the **National Institute of Plant Genomic Research, Department of Biotechnology**, Govt. of India was organised for Biology students of Classes XI & XII on November 25, 2022. It was a great opportunity for students to know about various scientific infrastructure and instruments used in plant molecular biology research work.

As part of the monthly theme '**Animals**' for KG & Class I students, an educational trip was organised to **Mowgli Farms** on 29 November. Students could connect the classroom teaching with the real world while experiencing real animals and their young ones, their habitat and their food habits.

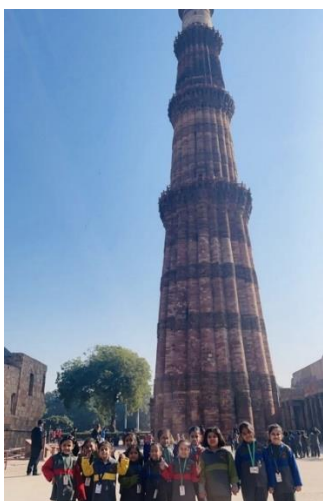

On 30 November, in continuation of the monthly theme '**Transportation**' an educational trip was organised for Pre-nursery and Nursery students to the local **Traffic Park**. This visit served as a simulation for young learners to learn and experience traffic rules and was a catalysing agent to instil civic sense and caution about road safety at a very young age.

On 07 December, Class IX students attended a lecture at **the National Science Centre, Delhi** on the theme '**Injecting Hope for Billions**'. The session was conducted by Dr. P.K Srivastav, who enlightened the students about **SCITOONS (World's first Science cartoons)** of India. Students also got the opportunity to visit the various galleries in the Centre.

To help children appreciate the beauty of India's rich past & glorious heritage and to explore the old monument, an excursion was organized to the **Qutub Minar, Delhi** on 16 December for the little learners of KG. Children were delighted to see the tall tower made of bricks and were fascinated to know the historical facts of the Mediaeval Indian monument.

As part of the monthly theme '**Plants**', an educational visit was organized for the KG students on 19 December. Students were curious and excited to see the shrubs, herbs and plants they had studied about in the class. They could identify several and asked many questions related to the plants as part of the experiential learning activity.

To reinforce the monthly theme '**Where do we live?**' an educational trip was organised for Class I on the December 21. Students were fascinated with the traffic signs, signals and safety demonstrations given by the traffic park managers. This visit helped children relate to the aspect of road safety studied in class in the simulated environment.

As part of the monthly theme '**Safety First**', an educational visit to the **Fire Station** was organized for Class I on December 21 where they met the firefighters and were amazed to see the job they do. The firemen educated children about fire safety and prevention. It was a fantastic learning experience for children to meet the real-life heroes.

Students of Classes IV-VIII went on an educational excursion to **Agra, Fatehpur & Bharatpur**. They visited the **Taj Mahal, the Agra Fort, Salim Chisti's Dargah** etc. The excursion not only acquainted students with the rich heritage of India but also helped in developing their social skills, making them independent individuals.

Students of Classes IX- XII went on an excursion to **Ranthambore** in November/ December. They enjoyed the **Jungle Safari**, visited the **Ganesh Temple, Dastkar NGO** and the **Ranthambore Fort**. It was an enriching and memorable trip for them.

Students of Class II visited the **Heritage Transport Museum** on February 3. They learnt about the various modes of transport on display along with the history of transportation. The trip provided a hands-on learning experience to students who returned with a newfound appreciation for the evolution of transportation and its impact on society.

In the month of February, students of the Primary and Middle wing went on a day trip to **Rocksport, Gurugram**. They participated in a host of adventure activities like **Minefield, Zip line, Commando Net, Burma Bridge, and Spot Climbing**. Along with honing 21st-century skills like collaboration and teamwork, students also spent meaningful time in the company of their friends, making it an overall enriching learning experience.

Students of Pre-Primary visited **the Biodiversity Park** in February. Students were mesmerised by the Aravalli's, the lush green forest and the different kinds of plants and animals. Being in the company of friends amidst nature, rejuvenated the children and enhanced their learning of the ecosystem.

Students of Nursery visited the **Mowgli farm** on February 28 where they indulged in a host of activities like feeding the domestic animals, spending time stroking them, walking through the vegetable garden, and observing how different vegetables grow. This trip was one of the experiential activities planned for the children by the School which enriched their understanding of nature and also made them sensitive about being kind and caring towards animals.

Students of KG and Class I visited the **Never Enuf Railway Museum, Gurugram** on 27th and 28th February respectively. Children witnessed a miniature world of trains, boats, cars, and bridges. The visit culminated with an activity in which they created a fridge magnet on the theme of Transport, which was their personal souvenir to take home.

TEACHER ENRICHMENT PROGRAMME

To help teachers keep the pace with the changing times, the School organises regular Faculty Development Programmes/Seminars on each subject to update teacher's knowledge and to enhance their teaching skills. Many capacity building workshops were conducted for teachers in collaboration with CBSE to enable them to adapt to the changing education landscape. To name a few the workshops included Financial Literacy, Activity Based Teaching in Science, Right Communication Skills and many more.
