OUR VISION

K.R. Mangalam World School aims to be an institution of excellence where students, teachers and parents work together as one community. The school is committed to grooming its students into global citizens empowered with sound ethical values, wisdom and knowledge.

OUR MISSION

The school provides high standards of educational excellence in an environment conducive to learning. Here, every student is made to realize their full potential and is nurtured to become an individual who demonstrates integrity, thinks critically, acts democratically and respects diversity.

“ KRM takes pride in having received the International Dimension in Schools accreditation by the British Council for three consecutive terms. ”

CHAIRMAN'S PERSPECTIVE

At K.R. Mangalam Group of Schools, we endeavour to promote a classroom of thinkers who would have the courage and conviction to lead the world with their astute insight, competency, calibre and impeccable values. The school's motto 'Engage. Learn. Innovate.' epitomizes the school's commitment to broaden the students' horizons and enable them to carve an integrated and enlightened world- a world that fosters unity yet celebrates the uniqueness of each individual.

The world that we live in, now, is certainly fraught with many challenges and the world tomorrow is everybody's guess. What is certain, however, is that, what we do today, will determine the kind of lives that we are going to have in the future. As leading providers of education, we endeavour to propagate effective education and steer forth a progressive vision of creating synergy to fructify the quest for excellence and kindle the young minds with a dream of a better tomorrow.

The seeds of an idea sown a long time back are coming to swift fruition, and the school is growing into a strong sapling. May this sapling grow into a sturdy tree and spread its branches!

Mr. Yashdev Gupta
Chairman

PRINCIPAL'S PERSPECTIVE

At K.R. Mangalam World School, Gurugram we are a great community that works together to empower children to achieve their full potential and the KRMWS motto resonates with this belief.

Ms. Aparna Seebaluck
Principal

The School helps children develop their individuality to become confident and capable human beings. While the main objective of education is holistic development of children, KRMWS helps them develop a sound mind that is empathetic, kind and ethical. We provide them a safe and positive environment for their inner selves to shine, free from the pressure to fit into a certain mould.

The collaboration between home and school builds trust and self-esteem among students. I deeply value your support and welcome your inputs in this joint venture and look forward to a long and fruitful association with the School and hope that together, we will grow as a team equipping our students with the requisite skills and knowledge to face the challenges of today's world.

NURTURING LEARNING

K.R. Mangalam World School is committed to providing dynamic scholastic and co-scholastic opportunities to all students. It is our constant endeavor to facilitate our learners to develop as collaborative, innovative, and creative thinkers.

We focus on

PSPE:

Personal, Social, and Physical Education is an integral part of teaching and learning in our curriculum to promote personality development, physical growth, and social well-being of the child.

Experiential Learning:

Children learn best through their experience and reflection, so we predominantly focus on applying classroom lessons and skills to real-world experiences.

STEAM Learning:

The STEAM Education approach to learning uses Science, Technology, Engineering, Arts, and Mathematics as access points for students to develop critical thinking and find creative ways of solving problems and linking different fields seamlessly.

Project-Based Learning:

Teaching at KRM is driven more by learners' questions rather than by a teacher's lesson. Students are engaged in a comprehensive process of asking questions, discovering resources and applying information.

Honing Multiple Intelligences:

Child Centered pedagogy enables students to better understand the concepts and values they learn. We reinforce skills ranging from linguistics, numeracy, art, music, nature, spatial, and kinesthetic in all learners, empowering them to explore infinite career avenues.

SIGNATURE PROGRAMMES

Terra Care

KRM believes that producing generations of environmentally conscious people is the only way to protect our planet for the future. Sensitization begins in the classroom and expands to the community by engaging students in action based learning.

Neoteric Learning

Embracing the ever-evolving innovations our school delivers education through IBL (Inquiry-Based Learning). The new-age learning prepares students across all curriculum and learning stages with skills and capabilities to thrive in a rapidly changing world.

Healthfulness

KRM fosters Health and Fitness programmes such as nutrition and food safety, yoga sessions, workshops on mental health.

Nurturing Humanity

Humanity is a virtue that symbolizes human love, compassion, and harmonious coexistence. KRM encourages students to grow into sensitive, caring, and virtuous individuals who will give back to society.

Parental Engagement

Parents are our partners in education. At school, we engage parents through workshops, morning assemblies, and frequent parent-teacher interactions. Besides, parents are also encouraged to participate in school events as guides and judges.

Expressions Enhanced

Verbal or non-verbal, every act we perform is an expression of thoughts. At KRM, we intensify these expressions to induce self-worth and confidence in our learners through creative projects, confidence-building programmes, art, music, dance, etc.

Beyond Boundaries

To raise global citizens, KRM grooms its students with values that support responsible global citizenship, and commitment to peace, human rights, and sustainable development. Virtues of respect, tolerance, empathy along with international mindedness are encouraged.

Future Readiness

KRM assists students to choose ideal careers through a 4-year career counselling programme. Alongside students, we also encourage our facilitators to stay updated with new and advanced teaching methodologies through various professional development programmes.

Talk Series

Let's TALK (Towards Aligned Learning and Knowledge) is a series of Talks by ideators, industry experts, career counsellors, renowned psychologists, and even our alumni to inspire and guide our students, parents, and teachers on various topics of relevance.

CLUBS

Along with providing students with opportunities to pursue interests of their choice, School clubs nurture small communities. They act as a cohesive force, memories of which are cherished by students way beyond school life as well. ALUMNI

An institution's alumni are the reflection of its past, representation of its present, and a link to its future. At KRM the rigor in the academic domain is supplemented by a mélange of co-scholastic activities which prepare the students to be global citizens. We are proud of all our students' past and present achievements. Mangalites are a part of prestigious institutions in India as well as abroad and are well-placed in renowned companies.

THE NORTH EDUCATORS SUMMIT AND NORTH SCHOOL MERIT AWARDS

In a resplendent gathering that echoed the fervor of educational excellence, the 'North Educators Summit and North School Merit Awards' 2023 unfolded on the 31st of August at the illustrious Crowne Plaza Gurgaon. This event, adorned with an aura of prestige, united educational luminaries under one opulent roof to celebrate and recognize the monumental contributions made within the realm of education. Amidst this grand assembly, K.R. Mangalam World school, Gurgaon was ranked No.1 for being the best in Co-Curricular Education in Haryana under CBSE School category. Ms. Aparna Seebaluck our esteemed Principal, proudly received this revered award, carving a niche for our institution in the arena of education.

The gathering resembled a constellation of stars, providing a platform to recognize and elevate educational institutions that have sparked the light of knowledge in young minds. With bated breath, attendees awaited the crowning of champions from various categories, each an epitome to their relentless pursuit of educational excellence. The North School Merit Awards, a splendid crescendo within this event, played host to a distinguished array of schools, each adorned with unique accomplishments. This remarkable victory is a paragon to their steadfast commitment to nurturing not only academic brilliance but also holistic growth, imbuing their students with a profound sense of purpose and vision.

These laurels were bestowed upon institutions that have pioneered innovative teaching methodologies, enriched curricula, and fostered an environment conducive to holistic development. The night was a symphony of recognition, a celebration of collective wisdom, and a herald of the transformative power of education.
